

COMPANY OVERVIEW

At VEDAH SOLUTIONS PRIVATE LIMITED, we specialize in delivering precise and reliable structural steel detailing services for global engineering and construction industries. With a strong foundation in technical excellence and a commitment to client satisfaction, we support fabricators, EPC companies, and contractors with tailored steel detailing solutions for projects of all scales.

From industrial and commercial buildings to complex process plants and architectural steel works, we bring deep expertise and a passion for accuracy. Our professional team is equipped with global project experience and cutting edge tools to ensure seamless coordination, quality outputs, and timely delivery

OUR CLIENT BASE

WHAT MAKES US UNIQUE

Development, management & streamlining of integrated multi-disciplinary performance models of projects & products

Quality Standards

Multi-stage quality control methods ensure exceptional engineering quality

End to End Service

Services that span the complete project life cycle from design to maintenance

Global Operations

Sales offices & operation in multiple countries

Global Project Experience

Global track record across North America, Europe, Australasia & Middle East

Comprehensive Solutions

Comprehensive BIM / CAD Services for Architectural, Engineering, Construction & Manufacturing Industry under one roof

Trade Knowledge & Expertise

Expert resources with multinational project experience & trade knowledge

WHERE ARE WE NOW

Clients spanning across 18 countries with projects experience in over 4 continents

Specialized engineering services for Structural Steel Detailing, Erection & Fabrication Drawings, 3D Structural Modeling, CNC Production Files, BOM & Reports, and Façade Engineering

Exceptional team of over 50+ engineers with a diverse array of perspectives, talents, business experience and technical expertise

An umbrella of diverse services and solutions for all stages of a project from design through construction to facility management

Diverse experience portfolio in residential, commercial, industrial, healthcare and educational projects

“

From humble beginnings, we have now grown to be one of most prominent global engineering services providers by setting the highest for our conduct and reputation in everything we do.

OUR SERVICES

Structural Steel & (PEB) Detailing

3D Structural Modeling

CNC and Production Files

Erection & Fabrication Drawings

Bill of Materials (BOM)

Facade Engineering

STRUCTURAL STEEL AND PEB DETAILING

An established lineup of effective detailing services to ensure effective management of design and project constructability for reduced cost of installation and business growth.

STRUCTURAL STEEL DETAILING

3D STRUCTURAL MODELING

FACADE ENGINEERING

CNC PRODUCTION FILES

BILL OF MATERIALS & REPORTS

ERECTION & FABRICATION DRAWINGS

TEAM PROFICIENCY AND SOFTWARE PROFICIENCY
